Veronica loves to bounce on a man's meat rod, shake her boobies and jiggle her fine ass. She loves the feel of cock in her mouth and her pussy. And the taste of it? – she says 'divine!' Then she'll squeeze his cock wih her pussy, keeping him hard as a rock.

Veronica

And she'll ride her man until he fucks and bucks and spills his jizz all over her. Sounds like fun, huh?

A woman with long brown hair and large hoop earrings is lying on her back, looking towards the camera with a slight smile. She is unclothed. A man's legs, wearing dark underwear, are positioned between her thighs. The background is dark and out of focus.

I want my man to be happy. I want to please him and make him want me again and again. There are several ways I could do it, but I find my mouth and pussy work best. There's little doubt, at that point, that I want him and he'll want me. After all, isn't life about being wanted?

Ryan called me after church on Sunday afternoon saying he was bored. Could he come over and we play around. I told him I would love that and he said he'd be over in an hour. Apparently he's very horny.

Margit

So the doorbell rings, and there he stands, tall, handsome and with a seven-inch hard-on that I was ready to jump on. "Come in Ryan, and take your clothes off."

PUSHING ALL THE RIGHT BUTTONS

It's Thursday night and I'd been working late and the office was all but deserted, save the night crew and some security people. As usual, I dreaded riding the elevator down sixty floors by myself, but I had no choice. The bell rang to say the elevator doors were opening. When they opened, standing there was the new girl from the marketing department which was on the floor above and that many of them worked late hours, too. I was thankful for the company and even more so when I saw how attractive she was. She smiled and stepped back for me to get in the elevator. "Hi." I said as I entered the elevator.

"Grace, isn't it?" I hoped I was correct and it wasn't something like Carol.

"And you are...?"

"Allie." I said. Having seen her before at a couple company meetings, I had a crush on this woman for a while. I found myself admiring her cleavage as it

Tanya, et al,

Oh yeah, great last issue, guys and gals. I picked it up at the newsstand before my train ride to Philly. (I had a private compartment, so don't worry about someone else seeing it). So — I settled down for the two hour ride and it was great. I looked at all the pictorials from cover to cover, thrice. After I finished going through it once, I decided to do it again and rate the photo sets. Don't think of this as sexist, but we men are entitled to our individual opinions about women and sex, just as any woman is allowed to do. So — my # 7 is DeBella: not my type. #6 is Nela: Not enough photos. #5 is Suzanne: too rough looking. #4 would be Marilyn: liked her. #3 is Claudia: she's hot and really sexy. #2 and #1 are a tie. I couldn't decide between Tanya getting fucked or the hot threesome lesbian scene. But I enjoyed them all!

— Dave, on the 10:20 to Philly

peeked out from behind the folds of her blouse. Instinctively, I closed my legs tightly to keep from being overcome by the lustfulness her body inspired in me. I couldn't help it but my pussy was growing damper by the second. I hoped the elevator ride would be quick or I feared I would succumb to my baser sexual instincts.

The doors closed behind me and with a jump the elevator jerked downward flinging Grace and me into the corner of the cab. We looked into each other's eyes and communicated our need without words. I ran my hands through her hair as I moved to kiss her. Roses and lilac fragrances lingered on her body, evoking images of lush gardens while I explored her mouth with my tongue.

Grace was right on it, too. She lifted my skirt and peeled back my panties to finger my moist pussy. I had no problems releasing her breasts from her pale pink sleeveless top. Her nipples were hard as candy and I greedily suck-

led them enjoying their sweet flavor. Her fingers encouraged the dampness between my legs as they plunged deeper into me and explored the walls of my pussy. The movements of her fingers were hitting nerves along my cavern, sending waves of ecstasy through out my being, and leaving me with no escape from the oncoming rapture. The tingling warmth fanned out from my clit to the tips of my toes as the pleasure shook me. The juices escaped my body in waves down Grace's hand and forearm.

Grace had begun to rub her swollen clit against my thigh and I could feel her nectar sliding down my leg. Her arms encircled my waist and pressed my body against hers, grinding her pussy into my thigh harder. Her moans of pleasure were loud encouraging my desire. I ran my nails down her back while I moved my thigh up and down to drive her over the brink. Her hand pressed the back of my head; it forced me to devour her breast with teeth and tongue. The intermittent licking and biting of her nipple drove her wild as I thrust my fingers inside of her.

She jumped forward from

the sudden sensation of pleasure and I pulled her leg higher up on my hips to allow me better access to her moist canal. I slid finger after finger inside of her, opening her more and more until her pussy welcomed them all. I moved them slowly in and out of her in circular motions pressing her engorged clit hard against my leg. I had her at my mercy, her only choice was to surrender her body to the pleasure it was wanting. I felt her pussy muscles tighten around my fingers as they worked her insides.

Her body shuddered and I could feel her slippery juices envelope my fingers as she steadied herself with

the elevator cab's rails. She released moan after moan while she rode my hand in a desperate attempt to continue the subsiding torrents of ecstasy.

After she was utterly spent, she lowered her leg and we smiled at each other as we straightened our clothes. Just as we finished the bell went off and the doors opened. The two of us stepped off the elevator and into the lobby.

As we walked down the lobby to the doors, we passed the night security guard. "Good night, Mr. Buford." We said in unison as we waved goodbye. "You ladies need an escort to your cars?" Mr. Buford was a caring person and

he took the safety of the people who worked here seriously, but neither of us wanted him along. "Thanks, but we'll be fine," Grace said.

We exited the tall building and stepped out into the night air and looked at each other. We knew there was more to be said but unsure as to what. "I'll be working late tomorrow." I said, deciding to be as candid as I could after what just happened.

"Yes. I have a very large presentation due next week." Grace grinned at me. "Yeah, me too. I have a big report to finish before the weekend." I smiled slyly back at her.

We walked around the corner and found a dark doorway and finished up with a deep passionate kiss. Then the two of us headed to our cars. Can't wait for tomorrow.

—Allie, Manhattan

MAGIC IN THE AIR

I was across town at my best friend, Wally's wedding rehearsal when I met her. She was a bridesmaid and I was standing on the groom's side. As the rehearsal started I could feel the buzz between us

as I turned and stared into her amazing blue eyes. The ceremony continued; each of us following directions and doing our part for the future bliss of the couple.

As the evening progresses, we don't say a word to each other during dinner and it scares the hell out of me. I wonder if she's feeling the same thing, because our eyes have met more than once. But thankfully, my fears are unfounded, and next day the wedding goes off without a hitch. I can't get over how sexy she looks in the powder blue bridesmaid dress that matches her eyes and her blonde hair pinned up and looking so proper. Some of the other guys are starting to tease me over the hard on I had for her yesterday.

The wedding ended as the beautiful spectacle that it was. Tons of good wishes and good cheer were bestowed upon the lucky couple, but tonight I think I'm going to be the luckiest one. At the reception, music played; people ate and danced, and I took her by the hand and danced our way out the door. Just looking for a quiet, private corner to get some air, I grabbed a flute of champagne for each of us on my way out the door.

In the parking lot I see the wedding party's limo with the driver nowhere in sight. I wandered over to it and found that it's not locked. I motion her over and hold the door open for her to enter.

I'm still holding the champagne glasses as I climb in behind her. As I hand her one of the glasses, we settle in the back seat and sit next to each other. I take a sip from the flute and begin to kiss her mouth, flooding the golden liquid into her mouth. I slide my hand up her thigh and discover she's wearing a garters and no panties. She leans over and unbuttons my shirt while she lightly runs her nails across my hand. I pull her dress off quickly and while I find

the black lacy bustier she's wearing very sexy, it's got to come off too.

I lose my clothes in record time and now we're both naked and the cool leather of the limo seat feels good as our body temperatures rise. I hold her glass next to her skin below her collarbone and tilt it slightly, the bubbly liquid flows down between her breasts, into her navel, and trickles into the small patch of hair below.

I kneel before her and trace its path down with my tongue. I part her smooth legs and run my tongue across her pussy, flicking it gently at her clit. She moans with pleasure as I swirl my tongue again and again over her

mound and savor her taste.

As she lays back across the seat, I rise up and mount her with delight as my hard cock enters her pussy and her nails dig into my back. We move together in sexual unison, whispering to each other, "faster, faster, harder, harder" as a hint of the expensive champagne lingers in the air. It doesn't take long for her to reach the edge of orgasm. Then she shudders with the intense pleasure of her orgasm as I empty my juices into her with a low groan.

Five minutes later we're dressed as well as can be expected and our hair is messed up, but we walk back into the reception hand in hand. A few people noticed that we were a little bit messy, but their attentions quickly went back to the wedding party. There was magic in the air that night and I took it back home with me.

— Toby, Erie, PA

A woman with blonde hair, wearing a pearl necklace and white strappy sandals, is sitting outdoors. She is nude and holding a purple vibrator. She is positioned in front of a stone wall and a stainless steel grill. The background includes some green plants.

Okay, I'm done with the phallic analogies and get right to it. I'm warming up for a little tryst after the shoot. I'm making myself horny and getting my juices flowing. My partner won't have to warm me up. We can get right to it.

A woman with blonde hair and bangs is posing for a photograph. She is wearing a bright red long-sleeved cardigan that is open, revealing her bare chest. She is also wearing a black skirt. Her right hand is placed over her left breast, and her left hand is resting on her hip. She has a serious expression and is looking down. The background is a plain, light-colored wall.

When you look up 'shy' in the dictionary, you'll find my picture beside it. I didn't give my first blow job until I was 22 and lost my virginity at 25. My anal cherry is still intact, but I may just give that up soon.

Anna

Maybe for my 55th birthday will be the day. Until then, I've gotten more and more sexually adventurous. I mean, who ever thought That I'd be licking a guys ass and letting someone photograph it?

Now I'm much more sexually active
and I have a lot of making up to do.
I've had all types of men, from the

old investment banker (he wanted to

each bring something different to sex.
I have to admit I've kissed a couple
women but have yet to fuck one.
That's on my 'to-do' list for this year.

what makes a perfect wife perfect?

THE SECRET TO A HAPPY MARRIAGE IS TO KEEP HIS STOMACH FULL AND HIS BALLS EMPTY

Husband: I love you.

Wife: I love you too. In fact, I love you so much I would fight the whole world for you.

Husband: But you fight with me the most.

Wife: Because you are the whole world to me.

Skye and I have been married for almost twenty years and like any normal couple, we argue, we laugh, we talk, we have fun, we have trust... but apparently not as much as I thought?

Some four months ago, a job opportunity from another company came my way, but it was in another state. After much discussion with Skye I took it. At first it was okay, Skye wasn't working but kept herself busy. I put some long hours in and she was in charge of unpacking the house. After a while this got boring for her and we began arguing. I'd come home tired and she'd spent the day cooped up.

One day, without realizing it, the arguing seemed to stop. However, Skye seemed more than happy to be at home and I even took a mini-vacation just to be home with her and try to rekindle some of the fun we had been missing. But I also noticed there was more than fun that was missing. I had to find out. The laptop computer was missing. Well, not really missing, just not where I normally keep it and many a time it would be warm, or when I went to use it for my work, I would see that the history had been erased completely. I asked Skye if she had been using it, but she said she really didn't know how to use it.

Skye had been befriended by one of the neighbor ladies who asked her to go out with her friends for some drinks. I encouraged her to go and make new friends and so that weekend, she joined the girls for a night out. Our neighbor was recently divorced so I thought it would be good to cheer her up. That Friday night I stayed in watching television and was still awake at midnight when I heard a noise outside the house. I looked out the window and saw a couple women get out of a taxi and went into the neighbor's house; the only one missing was my wife.

The next thing I know is being woken up at 3:00 am by Skye coming through the door. I asked her where she'd been and she said she had just got a taxi back with the girls. I even asked again the next morning and sat in disbelief as she said how all three of them got a taxi

back after club hopping. She did not know I had seen the other ladies exit the cab without her and that they were home at least 3 hours before her. It did not feel very good to catch her in lies like that.

I now noticed Skye had started carrying her cell-phone constantly, never letting it out of her sight and putting it down only when she had to. When she served dinner I'd see she put the phone down

I lifted her skirt slowly to reveal a lacy thong. She knew I liked them but didn't own any. I placed my open palms on her ass and rubbed her backside from top to bottom and then all around.

and I would have a minute alone with it when I knew she wouldn't catch me. Every night I would sneak a peek at her calls and see what kind of messages she was getting. About a week after her night out with the girls, I sneaked a quick look and saw an incoming call from "Vstor." It was disconcerting.

Then, on Wednesday, Skye got a call from her mom saying her sister was in the hospital with a broken leg and was coming home that day. She asked if Skye

with me saying she was at the cashier and that she'd call me back later.

The day she got back she was so loving to me. I had planned to confront her but she couldn't do enough for me – so I let her. I guess the look on my face was enough because she stood up and leaned on the kitchen counter with her ass facing me. I couldn't believe this was happening, but I sure as hell wasn't going to hurt her feelings by not taking the next step. Sometimes a guy just has to suck it up and do the right thing.

I lifted her skirt slowly to reveal a lacy thong. She knew I liked them but didn't own any. I placed my open palms on her ass and rubbed her backside from top to bottom and then all around. I squeezed and even pinched her soft, smooth cheeks. I brought a hand down between her legs and fondled her pussy, feeling the moisture seeping through the thin material. I heard her take in a deep breath and slowly let it out; I think she was enjoying this as much as I was, perhaps even more.

What I really wanted to do was rip her panties off, but instead, I did it slowly. As I pulled, I placed my wet tongue just above the top of her panties, licking and kissing as I pulled them lower and lower. I ran my tongue down to her crack from her spine almost to her tight little hole and I heard her groan. She smelled great too. She had never let me get this close to her ass before. What made her allow this? But not being one to complain, I continued with my exploration in hopes that it could continue even farther.

It was time to shed the panties and get a full view of her wonderfully sexy ass. I slid them down to the ground and she stepped out of them. I picked them up and put them to my nose taking in a big whiff. I believe my cock grew another inch! My tongue made its way back to her ass and I licked her all over while playing with her pussy. I pressed a finger inside her moist, heavenly hot flesh while I licked her asshole. The juice was positively running out of her and she was swaying back and forth while moaning a deep growl.

It was time to release my cock; it wasn't fair leaving it all cooped up inside a pants. She must have seen me

would come for a while to help with the sister's kids. I said that would be a very nice thing to do as she probably can use the help since she's stuck in a wheelchair or on crutches for the time being. She packed her things and left the next morning. I took her to the airport and we hugged and kissed goodbye. We spoke on the phone a few times over the next couple days just to catch up and find out how her sister was progressing. On my way to work Friday morning I called Skye and she answered but said she was pumping gas so she couldn't talk but would call me back in a while. It was 8:45 am so she couldn't be shopping already, so I phoned her sister's home. Sis answered and said Skye was in the shower so she couldn't talk right now. Immediately, I called Skye again and she was really short

*Skye turns in her chair, unzips my pants and pulls out my throbbing cock.
She looks up at me with big doe eyes and opens her mouth wide...*

do this because she let out a loud moan. I buried my tongue into her ass as far as it would go but she was extremely tight. First time I ever wondered if she was an anal virgin. Skye was very tight and refused to relax her muscles. Was my initiative too strong? But she was the one that started all this with her backside. I thought, if a tongue can't get in there, maybe a finger can. I scooped up a large handful of her pussy juice and rubbed it into her asshole, figuring that the more lube the better. I started rubbing my finger around her hole slowly, pressing more and more while playing with her pussy and clit. She was groaning louder and louder and her legs were beginning to shake. I think she was very close to a climax so I kept going.

Little by little, my finger slipped inside her and she was shaking more and more. First one knuckle and when I went to the second knuckle I heard a small scream. This was getting intense and I started stroking my cock. Now was the time! I buried the whole finger into her ass and she went off like fireworks.

She put her arm across her mouth to stifle the scream and her whole body shook and went rigid. Juice just poured out of her pussy down her legs and onto the kitchen floor. This had to be one of the most intense orgasms I have ever seen Skye have!

I slowly pulled my finger out of her and she seemed to relax a little as her climax subsided. Her legs folded

under her so I grabbed her by the waist and sat her down on a chair as she collapsed onto my lap. I pulled her dress back up and gently rubbed my hand all over her ass and pussy, enjoying the moment and the feel of her. Slowly she began to stir. She looked up at me with a contented smile.

"I have never experienced an orgasm like that in my life, babe. I know I've been a little stand-offish lately, so I wanted to do something special for you – and it turned out good for me, too. I never thought I was going to do it, but I had been practicing with small dildos and anal probes to get used to it, so I can do it with you." she said.

"Well, it was just as enjoyable for me as it was for you. I was thinking all sorts of bad things, but now that you told me, I can go on thinking all sorts of other bad things. You won't mind, will you?" I said back to her.

She sat up and gave me a big hug and a wet, open-mouthed kiss that made me hard again. She must have felt me pressing against her because she said, "No I won't mind, but now it's your turn to get off?"

Skye turns in her chair, unzips my pants and pulls out my throbbing cock. She looks up at me with big doe eyes and opens her mouth wide, flashing perfect teeth, and she pulls me into the big, wide beautiful hole! I put my hand behind her head and help her with the rhythm of her blow job. She puts her hands behind me on my butt cheeks and pulls me deeper into her mouth.

Then she pushes my cock up against my belly and starts licking and sucking on my balls. Skye knew how much I liked that and did it for several minutes. I undid my shirt and instantly her hands flew up and she started tweaking my nipples, another turn on for me. She pinched and squeezed them as she sucked my rigid cock.

Then after another pinch and squeeze of my nipples, I exploded in her mouth and she took it all in. She sucked every drop from me and swallowed it all. Holding my cock in her mouth, I felt her tongue circling the head, teasing me even more. Finally, she released my cock and I pulled her up to her feet, picked her up and carried her into the bedroom. The vibes had been all laid out!

THERE'S ROOM IN BED FOR TWO.

I was asked to do this shoot a month ago and it was so much fun. All you see are pictures of a woman shoving a dildo between her boobs or in her pussy. It's more than that. More than the video you can watch for free. It's about the people that were involved with the shoot, many of which are now friends!

My neighbor told me I should meet her good friend Ivett. She said we have a lot in common. So I called her and we met up at a nice restaurant. I was expecting a fuddy-duddy of an old lady, but what I got was an energetic, warm, fun and sexy lady.

Ivett & Elind

We dined and we shopped together for months before ever getting intimate. And when we did, it was great. She is the best female lover I've ever had.

Ivett says she loves my youth. She says she wishes she was more adventurous and experimental in her younger years and fucked a woman. I was only her third, but I must say, she taken to pussy licking pretty well. I think we're going to be friends for a long time.
